

# Star Power

*"Outstanding!..." "Beautiful, beautiful, beautiful..."  
"The quality is amazing!" "OMG!" "we love fresh market - we  
love fresh market - we love fresh market!" "I come here every  
day and I still can't get enough!" "this place is AMAZING!"  
"best steak I've ever had" "gorgeous" "the most fun I've ever  
had at a grocery store" "life-changing!" "makes grocery  
shopping fun!" "it's not just grocery shopping - it's an  
experience..." "makes healthy eating easy" "a jewelry  
store for groceries" "kids just absolutely FALL IN LOVE  
with the candy aisle!" "hooray for Peoria!"*

Come see what all the shouting is about, and  
why we say: if you can't find it at The Fresh  
Market, it's probably not worth eating!
