CENTRE 121

100% PROVEN RETAIL CORNER

1978

48 years ago we pioneered Centre 121 to take advantage of Southeast Decatur growing commercial and suburban markets and the growing bedroom community of Mount Zion.

What was true then is even more clear today: while a portion of retail development occurred north of Decatur in Forsyth, Southeast Decatur continued to develop its own vibrant and reliable trade area, with the Mount Zion bedroom community becoming the most affluent in the market.

At Centre 121 one you can surround yourself with the only 100 percent retail corner of Southeast Decatur -- with best of brand national retailers intersected by the regional arterials of US 36 and Illinois 121 and the Decatur Airport.

Forty-seven years later, Centre 121 remains the first location in the retail epicenter of Southeast Decatur's proven resilient and still growing retail market.
